Growth Mindset Posters

Display these posters around your classroom to spark daily conversations about learning, effort, and perseverance.

Use them as prompts during reflection time or to celebrate moments when pupils show persistence, curiosity, or resilience.

Encourage children to connect the messages to their own experiences, for example, when tackling a tricky maths problem or learning a new skill.

Small, consistent reminders like these can help foster a classroom culture where mistakes are seen as opportunities to learn and where every child believes they can grow through effort and practice.
